

## PAT GRAHAM DISCIPLESHIP TESTIMONIALS

Since I have completed the Journey In Christ discipling program, my relationship with the Lord has grown and I have a new confidence and faith in my identity as a child of God. I also feel much better equipped to handle the spiritual warfare in my life as well as the temptations of the flesh in my daily walk.

I have a much better understanding of my faith and relationship with the Lord and a new attitude towards brokenness and past and future trials. I also have experienced the power of forgiveness as a follower of my Lord and Savior.

I am very grateful to have had the opportunity to experience this program as a part of my journey.

I want to express deep appreciation to Pat for taking me through this weekly discipleship process for the past five months. This step by step process has been life changing for me. When I first came to Pat, I had six major areas that I wanted God to “fix” so that I could be “happy” again. I slowly began to realize that my problems weren’t my big “problem” after all. God wanted to bring me into a place of brokenness where I could enter into a very personal, intimate relationship with Him.

I began to learn to release to God what I cannot control and go to Him first before I react! I have learned to reject the lies of Satan which said that I was insignificant, insecure, couldn’t trust others, or meet other’s expectations.

God set me free to realize that I am complete in Him—a trophy of His grace and mercy. I feel that I have been set free from being in bondage to the lies of Satan. My joy and peace has been renewed.

I am grateful to Pat for being used as a servant of Christ. I am humbled that she has invested much time, effort, and prayer into my life during this discipleship process.

It is my prayer that I will continue to grow in my freedom in Christ. As I have experienced pain and the grace of God that sustains, my burden has been to become a “stretcher bearer” to others who are going through loss or suffering. (Luke 5: 17-26) As this paraplegic couldn’t get to Jesus on his own, his friends creatively carried this helpless man on his stretcher to the roof top and lowered him to Jesus. May the Lord use my life to bring others to Him.

## PAT GRAHAM DISCIPLESHIP TESTIMONIALS

When I stop to think about where I was at the start of the discipleship program and where I am now, it is at times overwhelming. The change that has occurred is shocking. At the start, my idea of God was an impersonal being who wasn't really concerned with the ins and outs of my daily life. I truly believed that He was out to get me. Each area of my life was full of defeat and yet I worked non-stop to measure up.

Through the discipleship program, God is now real and personal to me. He loves me fully and completely no matter what. It is so comforting and freeing to know that throughout the duration of my entire life, I have someone who loves me, listens to me, guides me and has my best interest in mind.

Before this revelation, I lived each moment of my life in fear and defeat. Now, I live in freedom and peace. Christ is my life!
